

Men's Suit Drive

to benefit

San Diego Rescue Mission meets the critical, diverse needs of homeless, poor and/or addicted men through a 12-month residential rehabilitation program which provides the tools, training and support to permanently transform their lives. Upon completion of the residential program, a special graduation event is held to celebrate the accomplishments of those who completed the program. This is where your donations to the suit drive are needed most. A new suit, shoes and watch will help continue to build their confidence, especially on "graduation day."

Interview Appropriate Men's Attire
