Governor Newsom Orders Partial Shutdown of Several Industries

Today, Governor Gavin Newsom reintroduced mandatory shutdown orders for certain California businesses. Effective July 13, 2020, all counties must close indoor operations in the following sectors: dine-in restaurants; wineries and tasting rooms; movie theaters; family entertainment centers (such as bowling alleys, miniature golf, batting cages, and arcades); zoos and museums; and cardrooms. Bars, breweries, and pubs must close all operations—both indoor and outdoor—across the state.

Additionally, counties that have remained on the state’s County Monitoring List for three consecutive days are required to shut down the following industries *unless* they can be modified to operate outside or by pick-up: fitness centers; worship services; protests; offices for non-essential sectors; personal care services (such as nail salons, body waxing, and tattoo parlors); hair salons and barbershops; and malls. As of July 13, 2020, San Diego, Los Angeles, Imperial, Riverside, and San Bernardino counties have remained on the state’s County Monitoring List for three consecutive days. Employers are urged to visit their county’s public health department website and the California Department of Public Health website for more information about industries affected by these new restrictions.
